1 I, Mick Cleary, declare:

2 1. I make this declaration in support of Plaintiffs' Motion to Certify Class Under Fed.
3 R. Civ. P. 23(b)(2) and 23(b)(3), to be filed on March 11, 2025. I have personal knowledge of each
4 fact stated in the declaration and, if called as a witness, I could and would competently testify
5 thereto.

6 2. I lived in the United States—and specifically, in the state of Wisconsin—during the
7 proposed class period, which I understand is from November 12, 2017 to the present.

8 3. I bought and used Android devices—including but not limited to, a Samsung
9 Galaxy Z Flip5, a Samsung Galaxy Z Flip3, and a Samsung Note 9—during the proposed class
10 period.

11 4. My phones ran a Google-licensed version of the Android operating system, with
12 Google Play Services installed, and were associated with a Google account.

13 5. I purchased cellular data from Verizon during the proposed class period. Attached
14 as Exhibit A is an example of my monthly bill from Verizon.

15 6. I regularly used the cellular data that I purchased from Verizon by using my
16 Android devices to connect to the cellular networks provided by that carrier.

17 7. I did not know that Google was using my cellular data for its own purposes and
18 benefit. I had no knowledge that such transfers were occurring.

19 8. I did not give Google permission to use my cellular data for its own purposes and
20 benefit, and I would have expected Google to notify me and obtain my permission before doing
21 so.

22 9. If I had known that Google was using my cellular data for its own purposes and
23 benefit, and that it was doing so without my permission, I would have expected Google to
24 compensate me for the cellular data that it used.

25 10. I am seeking to be appointed a representative of the proposed class of United States
26 residents who used mobile phones running Google's Android operating system with a cellular data
27 plan during the proposed class period.

11. To the best of my knowledge, I do not have any interests relevant to this case that conflict with the class members I seek to represent. I am seeking the relief provided under United States and California law for myself and for all class members during the proposed class period. I have not been promised any personal financial benefit for participating in this lawsuit. I am serving as a class representative in order to further the interests of Android device users and to remedy Google's misconduct. I have acted and will continue to act in the interests of those class members and place their interests on par with my own.

12. I have been actively involved in the prosecution of the litigation to date and have worked closely with my attorneys throughout the course of these proceedings in order to adequately represent the interests of the class members. My participation has included conferring with attorneys regarding the status of the case, reviewing complaints and other pleadings, responding to discovery requests, searching for and producing documents, and preparing and sitting for my deposition.

13. The attorneys representing me in this case from the law firms Korein Tillery, LLC and Bartlit Beck LLP have done so in a professional and competent manner, and they have kept me informed about the progress of this case throughout this litigation.

14. I declare under penalty of perjury that the foregoing is true and correct.

Executed this 4 th day of March , 2025 in Milwaukee, Wisconsin.

/s/ Mick Cleary

Additional information

Customer Proprietary Network Information (CPNI)

CPNI is information made available to us solely by virtue of our relationship with you that relates to the type, quantity, destination, technical configuration, location, and amount of use of the telecommunications and interconnected VoIP services you purchase from us, as well as related billing information. The protection of your information is important to us, and you have a right, and we have a duty, under federal law, to protect the confidentiality of your CPNI.

We may use and share your CPNI among our affiliates and agents to offer you services that are different from the services you currently purchase from us. Verizon offers a full range of services, such as television, telematics, high-speed Internet, video, and local and long distance services. Visit Verizon.com for more information on our services and companies.

If you don't want your CPNI used for the marketing purposes described above, please notify us by phone any time at 800.333.9956 or online at vzw.com/myprivacy.

Unless you notify us in one of these ways, we may use your CPNI as described above beginning 30 days after the first time we notify you of this CPNI policy. Your choice will remain valid until you notify us that you wish to change your selection. Your decision about use of your CPNI will not affect the provision of any services you currently have with us.

Note: This CPNI notice does not apply to residents of the state of Arizona.

Explanation of Surcharges

Verizon wireless surcharges include (i) a Regulatory Charge (which helps defray various government charges we pay including government number administration and license fees); (ii) a Federal Universal Service Charge (and, if applicable, a State Universal Service Charge) to recover charges imposed on us by the government to support universal service; and (iii) an Administrative and Telco Recovery Charge, which helps defray and recover certain direct and indirect costs we or our agents incur, including:

- (a) costs of complying with regulatory and industry obligations and programs, such as E911, wireless local number portability and wireless tower mandate costs;
- (b) property taxes; and
- (c) costs associated with our network, including facilities (e.g. leases), operations, maintenance and protection, and costs paid to other companies for network services.

Please note that these are Verizon wireless charges, not taxes or government imposed fees. These charges, and what's included, are subject to change from time to time.

Service Plan Features & Services

If your service plan has optional features or services that are included as part of your monthly subscription, electing to activate these subscriptions may affect your surcharges, taxes and governmental fees, even though your plan monthly service price does not change. Examples of these features are Apple Music or the Disney bundle.

Taxes and Other Governmental Charges

We are required by law to collect these charges, which are based on your service address. You can update your service address on go.vzw.com/changeaddress.

More On Wireless Taxes And Surcharges

Your total charges for this month's bill cycle are \$109.68.

This includes charges for one or more bundled Verizon service plans that include voice, messaging, data, or other services for which you pay a monthly plan charge.

This bill cycle, your fixed monthly plan charges were \$100.00 (before applying any discounts or credits, and excluding other charges such as overage, late payment, taxes, Verizon surcharges, and equipment).

To accurately bill taxes and Verizon surcharges, we regularly look at past network usage by you and other customers with similar plans to allocate this fixed monthly plan charge among the services included in the bundle.

In this bill cycle, we have allocated this amount as follows: \$4.56 for voice, \$0.94 for messaging, \$79.51 for data, and \$14.99 for other services.

For more information, please go to vzw.com/taxesandsurcharges.

Bankruptcy Information

If you are or were in bankruptcy, this bill may include amounts for pre-bankruptcy charges. You should not pay pre-bankruptcy amounts; they are for your information only. In the event Verizon receives notice of a bankruptcy filing, pre-bankruptcy charges will be adjusted in future invoices. Mail bankruptcy-related correspondence to 500 Technology Drive, Suite 550, Weldon Spring, MO 63304.

Regulatory Charge Increase

"Effective September 1, 2023, the monthly Verizon Wireless Regulatory Charge for voice-capable devices will increase from \$0.09 to \$0.16 per line. The charge for data-only devices remains at \$0.02 per line. Please note that this is a Verizon Wireless charge, not a tax. This charge, and what's included, are subject to change from time to time. For further information regarding this charge, review the "Explanation of Surcharges" section of this bill."
